PALLET 1 OF 2

1 PCS

Please cut off shrink wrap to count and sign for total number of pieces. It is very important that the customer count and verify number of pieces at time of delivery in order to receive any kind of a credit for lost freight. Failure to correctly sign for pieces will result in charge backs for any lost freight. Customer should sign clearly with their name, date and number of pieces. The number indicated above is the number of pieces that should be counted on this skid. Pallets are counted and signed for, then wrapped at our facility to insure the accuracy of this and all shipments.
